of Giving

**YOU** have the ability to make a difference in a child's life, in our community, and in the world around us.

The Museum is a place unlike any other...it is a place to wander, explore, learn, and ultimately develop a deeper understanding of the natural world.

With real science as our guide, we work to forge nature connections and transform citizens into advocates for wildlife and the environment.

**YOU CAN HAVE A VALUABLE IMPACT EVERY DAY AS A SUSTAINING PATRON'S CIRCLE MEMBER**
