

TEEN PROGRAMS

Santa Barbara Museum of Natural History

DIVE INTO SCIENCE AND THE GREAT OUTDOORS
WHILE HAVING FUN WITH YOUR PEERS!

Gain experience working in the fields that interest you, while collecting volunteer hours you need to graduate and becoming a paid employee of the Museum and Sea Center.

QUASARS TO SEA STARS

- Multi-year work-study-volunteer program for current 8th & 9th grade students
- Explore careers in science, conservation, and museums
- Examine the natural world on regional field trips

APPLY at sbnature.org/teens by May 7, 2021.

CONTACT Teen Programs Manager Jenna Rolle at 805-682-4711 ext. 172 or jrolle@sbnature2.org
