**SANTA BARBARA**  
**MUSEUM**  
*of*  
**NATURAL HISTORY**

Founded in 1916 as the Museum of Comparative Oology—the study of bird eggs—the Santa Barbara Museum of Natural History opened on this site in 1922 and continues today as a regional research and educational institution. In 1986 the Sea Center on Stearns Wharf joined the Museum to focus on our important coastal environment. This Museum is a pet-free and non-smoking campus.
