

YES! I WISH TO DONATE TO THE SANTA BARBARA MUSEUM OF NATURAL HISTORY.

Since 1916, the Museum has been a place of inspiration and enjoyment. From its initial focus on birds' eggs, the Museum's perspective has expanded to embrace all of natural history. The Museum strives to give children and adults the opportunity for hands-on learning through exhibits, programs, and classes. Gifts like yours help us to continue our mission to inspire a thirst for discovery and passion for the natural world.

Please print and complete the form and mail to:

Development Department
Santa Barbara Museum of Natural History
2559 Puesta del Sol, Santa Barbara, CA 93105

You may also print and e-mail form to development@sbnature2.org.
